### BORGO FINOCCHIETO

Tuscany, Italy

This lovingly restored 800-year-old Italian hilltop village offers its guests sweeping views of the Tuscan countryside and the choice of accommodations in either the manor house or four other homes. Modern touches include a gym, swimming pool, sauna, and tennis, basketball and bocce courts. A private chef is also available, along with a concierge who can arrange custom tours and experiences. Guests can visit numerous wineries in the neighboring towns of Montalcino, Pienza and Siena; take part in truffle hunts, and sample the first olive oil of the season from local artisans. With 22 rooms, Borgo Finocchieto is ideal for groups that would like to rent the entire village.

PRICING: Prices start at about \$930 per room (double occupancy.)
